GCT Glass and Crystal Trading s.r.o. was founded in 2001 and has grown to become one of the leading glass and crystal designers, producers and wholesalers.

Our company specialises in creating bespoke products for wholesalers, brands and department stores throughout the world. We work very closely with a number of hand-picked European factories that meet the high expectations of our clients. We can take care of your project throughout all stages from concept to retail.

We offer unprecedented service and quality that sets us apart from our competitors.

Services we provide:

1. design of shapes, decorations and packaging
2. we own tooling for many exclusive shapes and designs, which we are happy to share with you
3. production and decoration
4. quality control
5. design and production of packaging
6. we can take care of your logistics from one of our European warehouses

Diamante ®

Additionally, we manufacture and supply an extensive selection of quality glass products under our very own Diamante® brand.

DIAMANTE®

Diamante collections are made up of beautifully crafted and effortlessly stylish pieces made from lead-free crystal.

Style and innovative design are firmly at the heart of each creation and attention to detail is paramount in maintaining exceptional quality and contemporary styling.

Each piece is exquisitely unique and its style is timeless. With the combined qualities of finesse and grace, there could be no better addition to your home, or thoughtfully given as a special gift for any occasion.

Diamante. The perfect marriage of design and discernment.
